Dear Fellow CHCC Members,

At our Fourth of July Sponsorship meeting last Tuesday night, I agreed to take on a piece of the planning process (don't tell my husband!) so I wanted to send everyone a follow up note to Kathy's email earlier this week. The packet and Firework Funder attachments will follow in another email, but I wanted to get this to you tonight. (Please pardon the formatting issues, but email if not very forgiving!)

To date, we have accomplished the following:

1. The Sponsorship packages have been created. The packaging is a blue folder with our Fourth of July logo and the following contents:

- Cover Letter with the 4th of July logo that may be personalized
- Overview Page of Sponsorship opportunities and Form
- Patriotic Sponsor Level/Benefits Page ($4000)
- Stars & Stripes Level/Benefits Page ($3000)
- Uncle Sam Level/Benefits Page($2000)
- Yankee Doodle Level/Benefits Page ($1000)
- Naming Rights Levels/Benefits Page
  - Musicians ($4000)
  - Antique Car Parade & (maybe) fun run ($3600)
  - Sound and Stage ($3000) ; Two Stages
  - Port-a-Potties ($1600) for 13 and two washstands
- Real-Estate Sponsor Page
  - $450 – Picnic Tables (30)
  - $400 – Garbage Cans (40)
  - Flag Waver - $500 (eligible for gift certificate drawing)
  - Firework - $250 (eligible for gift certificate drawing)
  - Sparkler - $100 (eligible for gift certificate drawing)
  - Friend of the Fourth - $50 (eligible for gift certificate drawing)
- I am attaching electronic copies of the files for each sheet listed above.

2. FABA- Ann Adams (and Dee Allen) are going to discuss the Fourth of July Sponsorship program at the FABA meeting on Friday, March 5th. FABA is already a sponsor by virtue of donating 50% of the beer booth proceeds to the Fourth, but Ann will tell those members in attendance about our Sponsor Program, ask for their

support and advise them that a committee member will be contacting all the FABA members. Ann will also follow up to the entire membership list via email.

3. Firework Funding Flyer (see attachment) encouraging donations to the cost of the fireworks is being finalized. The plan is to ask FABA members to allow us to place these in their locations. Plan is also to have a table at FAT Fridays until July staffed with CHCC members and Firework Funder Flyers.

4. Started on list (please feel free to add suggestions) of ways, aside from direct monetary donations, that individuals and/or businesses can contribute to the cause:

- Mention our event in radio/newspaper ads
- Silent Auction contributions
- Gift Certificates (to be used as prizes for Sponsors)
- Agree to place Firework Funder Forms in Businesses
- Have a designated night of business where all or percentage of proceeds go the Fourth of July.
- Sells Fourth of July Pins (we still have to find/purchase the pins). We envision we'd put them in businesses and make signs asking folks to donate $1 (?) and take a pin to support the fourth.
- **YOUR IDEA HERE**

Now for the fun part. We need some help pulling this off. I can continue to help coordinate, but can't get it all done by myself. We've identified the following opportunities to date:

- General committee participants. There were six people in attendance on Tuesday and three of them already are wearing HUGE hats in their responsibilities for the Fourth.

- We need people to contact the FABA organizations about sponsorship. I am attaching a spreadsheet that has the FABA list along with some other businesses that we are considering approaching. Some of the CHCC names have been pre-filled based on information from the Tuesday meeting. If you're on it and don't want to be, just let me know. On the flip side, if you're willing to take a part of the list and reach out with a personal appeal or, better yet, if you have personal contacts that you think might enhance the plea, please let me know and I can assign you to those. If not, just let me know how many you're willing to take (10, 15, 20?). You can choose how you reach out (phone, email, in person). Not really any rules, but try to suggest several ways they can help.

- Not and extrovert/ type-A like me? Don't want to contact businesses? How about volunteering to be a "runner?" You could deliver the Firework Funder Forms, Fourth of July pins or just do general drop off / pick up tasks.

- We need a person/ group of people to work on the "Pins for Fireworks" initiative. You can even come up with a clever name. I envision the tasks associated with this as:

  - Shop around for the pins (Rhode Island, Oriental Trading, etc) Pat Brinson is checking one source so we'll see how that works out.
  - Create sign to be placed at point of donation explaining program

- Arrange publicity for the program (web site, newsletter)
- Coordinate with our sponsor volunteers to see which businesses have agreed to display
- Determine payment system. I would suggest we just put jar and use the honor system
- Determine collection / re-stocking process / schedule (The Pay Pal account on the website goes to the Crescent Hill Forum

A word about the business list attachment. I copied it from FABA's website which included address, phone numbers, web sites. In order to streamline the view, I put an X on each row that contains the actual business name. Depending on your familiarity with auto filter in Excel, please bear with me. If you need to see the additional rows, click on the filter (arrow) above cell A2 and select "all". To get back to the business name only list, click on that same filter and select the "X."

Think that about wraps it up. I will be at the CHCC meeting on Thursday if you'd like to talk then. I'm happy to work through email too. Or, you can give me a call. Home 899-1252 and Cell 741-1798. thanks

Tim, Can you please add the "Fourth of July Sponsor Program" to our Monthly Meeting agenda Thursday night?
